Statement of Changes in Equity for the year ended 31 December 2019	8
Statement of Cash Flows for the year ended 31 December 2019	9
Accounting Policies	10 - 11
Notes to the Financial Statements	12 - 14
Detailed Income Statement	15 - 16

The financial statements set out on pages 6-14, which have been prepared on the going concern basis, were approved by the council on 21 March 2020 and were signed on its behalf by:

President

Vice President

Accounting Officer's Report

To the members of the Endurance Ride Association of South Africa

I have performed the duties of accounting officer to the Endurance Ride Association of South Africa for the year ended 31 December 2019 as required by Section 17 of the Nonprofit Organisations Act, 1997. The annual financial statements of the Endurance Ride Association of South Africa set out on pages 6 - 16 are the responsibility of the Council Members of the Association. No audit or review is required by the Act to be carried out and no audit or review was conducted. Accordingly, I do not imply or express an opinion or any other form of assurance on the annual financial statements.

Duties of accounting officer

I have determined that the annual financial statements are in agreement with the accounting records, and have done so by adopting such procedures and conducting such enquiries in relation to the accounting records as I considered necessary in the circumstances.

I have also reviewed the accounting policies, which have been represented to me as having been applied in the preparation of the annual financial statements, and I consider that they are appropriate to the Association.

AJ Bosman

Chartered Accountant (SA)
SAICA membership nr 00113817

Compilation Report

To the members of the Endurance Ride Association of South Africa (ERASA).

We have compiled the Annual Financial Statements of ERASA, as set out on pages 6 – 16, based on the information you have provided. These Annual Financial Statements comprise the statement of financial position of ERASA as at 28 February 2019, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

We have applied our expertise in accounting and financial reporting to assist you in the preparation and presentation of these Annual Financial Statements in accordance with the Accounting Policies set out in note 1 to these statements. We have complied with relevant ethical requirements, including principles of integrity, objectivity, professional competence and due care.

These Annual Financial Statements and the accuracy and completeness of the information used to compile them are your responsibility.

Since a compilation engagement is not an assurance engagement, we are not required to verify the accuracy or completeness of the information you provided to us to compile these Annual Financial Statements. Accordingly, we do not express an audit opinion or a review conclusion on whether these Annual Financial Statements are prepared in accordance with the Accounting Policies set out in note 1 to these statements.

Accounting Policies

1. Presentation of Financial Statements

The annual financial statements have been prepared on the historical cost basis and are presented in South African rand. They incorporate the principal financial policies, which is consistent with those of the previous year, set out below.

1.1 Significant judgements and estimates

Management did not make any critical judgements in the application of accounting policies, apart from those involving estimations, which would significantly affect the annual financial statements.

Provisions

Provisions are recognised when the association has an obligation at the reporting date as a result of a past event, it is probable that the association will be required to transfer economic benefits in settlement and the amount of the obligation can be estimated reliably. Provisions are measured at the present value of the amount expected to be required to settle the obligation.

1.2 Property, plant and equipment

Property, plant and equipment is carried at cost less accumulated depreciation. Cost includes all costs directly attributable to bringing the assets to working condition for their intended use.

Depreciation is calculated to write off the cost of these assets on a straight-line basis over their expected useful lives.

Item	Average useful life
Computer equipment	3 years
Office equipment	8 years
Fencing and development cost	10 years

The residual value, useful life and method of depreciation are reviewed only where there is an indication that there has been a significant change from the previous estimate.

The depreciation charge for each period is recognised in the operating expenses of the statement of comprehensive income.

1.3 Leases

A lease is classified as a finance lease if it transfers substantially all the risks and awards incidental to ownership to the lessee. All other leases are operating leases.

Operating Leases

Lease of assets under which all the risks and benefits of ownership are effectively retained by the lessor are classified as operating leases. Operating lease payments are recognised as an expense on a straight-line basis over the lease term unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

(Registration number: 124-153 NPO)

Annual Financial Statements for the year ended 31 December 2019

Accounting Policies (continued)

1.4 Revenue recognition

The fee is recognised as revenue in the year to which it applies and when no significant uncertainty as to its collectability exists.

Interest is recognised, in the statement of comprehensive income, using the effective interest rate method.
