Dear Len and Shaun

We would like to take this opportunity to thank you for your assistance by paying the administration levy on the letters required for the novice phase of horses.

Your contribution of R128 000 to date as assisted ERASA in paying for the calendar fee for all 1\* events in South Africa for 2017, has assisted our Senior and Young Rider Teams to participate in the World Cups in 2016 and 2017 respectively.

Thank you once again, words are not enough to express what you have done for the sport and the FEI riders in South Africa.

Regards  
Charmaine Nickisson
